DIGEST SHEETTITLE OF ORDINANCE: SPECIALDEPARTMENT REQUESTING ORDINANCE: PURCHASINGSYNOPSIS OF ORDINANCE:

A-87-06-27

An ordinance approving the award of Reference #1293 with respect to the lease/purchase of two (2) 4-door sedans, and one (1) 4-wheel drive vehicle for the Street Engineering Department per the specifications in that reference.

EFFECT OF PASSAGE:

Vehicles that are now being used have become too costly in terms of maintenance to justify keeping them any longer. The down time, and in the case of a few, the fact that they have become unsafe to use necessitates the replacement of the vehicles.

EFFECT OF NON-PASSAGE:

There will be a continuation of high maintenance costs to the department, and the possibility that personal or property injury could be realized without the replacement of vehicles now in use.

MONEY INVOLVED (direct costs, expenditures, savings):

Tom Kelley Buick
